

YES 2019: Call for 2 TRAVEL Coordinators

The Young Europeans's Seminar aims two contribute to the development of young global citizens through learning and volunteering together in a spirit of international friendship.

The Young Europeans' Seminar (YES) is a yearly massive intercultural get-together for over 400 European exchange students at the end of their school year, all put together by a team of over 100 YFU volunteers. The YES is a unique opportunity to reunite with old friends from all over Europe and make new ones, creating a bridge between the exchange year and the return home. It's a fun learning experience where students explore what it means to be a citizen of the world through diverse interactive learning activities. The international team of volunteers creates a unique spirit and an amazingly motivational experience for everyone at the YES.

The YES 2019 will take place in **Werbellinsee (Germany)** from **24 to 28 June 2019**. It is organised by **EEE-YFU** together with **YFU Belgium**, **YFU Czech Republic** and **YFU Romania**.

The overarching theme of the **YES 2019** will be **"Active citizenship"**.

This year, the elections for the European Parliament will take place and therefore we would like to explore and discuss the role of young people in strengthening and advancing healthy democracies, taking as an example the European project and its values.

Your role in one sentence:

Travel Coordinators at the YES are responsible for ensuring students' smooth travels – from overseeing their international travels to arranging local transportation between Berlin and Werbellinsee as well as assisting all other volunteers with planning their local connections between Berlin and the YES site.

You will work with:

● Volunteers

● Students

Workload:

● Before the YES

● During the YES

● After the YES

What we expect from you:

To dedicate your time and energy to smoothly coordinate all students' travels to and from the YES 2019. In more detail, to ensure that everyone has necessary travel documents (including tickets, passports/ID cards and visas) and assist volunteers with planning their YES travels.

You can expect from us:

We promise a fantastic seminar where you will get a chance to personally meet and greet every student, volunteer and guest. You will also stay in the centre of attention (travel is very important!) and will, of course, build new friendships in a great environment.

What do you gain?

Participating at the YES as a volunteer is a truly rewarding experience. The seminar lasts for 4 days and there is a lot you can gain:

- Possibility to share your volunteer experience and get to know many new people.
- Increasing skills in facilitating group work and learning processes of peer groups.
- Experience of working with YFU on an international level.
- Passing on the YFU spirit.
- Opportunity to be a part of the biggest YFU event in Europe and have a great time.
